Responsive Respiratory Introduces "Spike" the Dog Pediatric Nebulizer Mask

St. Louis, Missouri - January 15, 2009 – Responsive Respiratory expands its pediatric oxygen offering with new "Spike" the Dog Pediatric Nebulizer Mask.

Designed with a comforting toy-like appearance, "Spike" the Dog Aerosol Mask helps to reduce anxiety during medication dispensation and encourages the child to relax and breathe deeply for a more effective treatment. Constructed of latex-free plastic for allergy-free, comfortable fit, the "Spike" the Dog VixOne Nebulizer kit includes a medication bowl with volume markings and aerosol mask with universal 7' tubing for use with all nebulizers in the market today.

The Dog nebulizer kit compliments Responsive Respiratory's full line of pediatric and adult oxygen products including regulators, aerosol masks and nebulizer kits.

About Responsive Respiratory - - Responsive Respiratory was founded in 2002 and is dedicated to providing consumers with high quality respiratory products for the home health care and hospital markets.
